## Tag, the Farting Power Plant: Silly Science Series #1 (Paperback)

By Martin Thisner

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Tamara Antonijevic (illustrator). Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. 2015 Winner Short Story for Children - Marin County Fair, California, Tag, the Farting Power Plant, is the first in a series of fun and silly science (bilingual - Spanish) books for children of all ages. Unlike most science books, the Silly Science Series, engages the reader with colorful images, creative and funny animal characters we can all relate to. Maya is the smart young girl explorer that loves science and uses it to solve the problems she and her friends get into. (First edition is in English and Spanish. The German and Swedish translation is available in mid July.) Excerpt from the book: After every meal, Tag would run into the farting hut and do his magic while at the same time the farmers machine would collect the methane energy from Tag and change it into electricity to power his family s house! Silly Science Series and the Power of Science -- Adventures of Tag, the Farting Power Plant is Maya and Martin s big debut. What began as a fun and silly daydream story...
