By U S Agricultural Research Service

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Sheep Shelters and Equipment for Southern States Farm building plan services are organized in four regions - South, West, Northeast, and Midwest. They are conducted cooperatively by the United States Department of Agriculture, the State extension services, and in some States the agricultural engineering departments of the State agricultural colleges. The best plans for various types of farm buildings developed by the State colleges or the Department of Agriculture are made available to farmers through the plan services within the region for which they are suited.
