Reviews

It is one of the most popular ebooks. I have studied it and I am certain that I am going to likely read it again and again in the future. I am happy to inform you that this is actually the greatest ebook I have studied in my very own life and might be the best ebook for possibly.

GRIN Verlag. Paperback. Book Condition: New. Paperback. 40 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. Lesson Plan from the year 2010 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 2, 0, University of Trier, language: English, abstract: This lesson is mainly about the future tenses, will-future and going-to future. My intention is to teach the study group both the formation of the tenses as well as the usage, when exactly to use which tense in order to express something in the future. Therefore I planned a double period where the first lesson is only about the formation of the future tenses and the aim of the second lesson is to make clear to the learners when to use the will-future or the going-to-future. I did not yet have the opportunity to give this lesson in reality, so I assumed a class in which this lesson could work the way I planned it. too personal 1. 1. Situation of the class I would provide this double period with its focus on the future tenses, will-future and going-to-future, for a class in the late 6th or early 7th grade at secondary school . While planning, I assumed that the pupils already heard about the building of the tenses and do know that these tenses are used to talk about the future but that they have to practice how to build certain sentences like positive statements, negotiations as well as questions. What will be completely new to them, is the question when exactly to use which tense in order to express something in the future. That means concerning the formation of the tenses this lesson will be a repetition for them, but concerning the usage this lesson presents an introduction. It is important that the study group is motivated to work as...
