

The Coucher Book of Selby 2 Volume Set: From the Original MS. in the Possession of Thomas Brooke (Paperback)

Filesize: 8.28 MB

Reviews

This publication might be well worth a study, and much better than other. It is among the most awesome book i have got study. You may like the way the article writer publish this publication.

(Dr. Paige Bartell)

THE COUCHER BOOK OF SELBY 2 VOLUME SET: FROM THE ORIGINAL MS. IN THE POSSESSION OF THOMAS BROOKE (PAPERBACK)

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This two-volume work comprises a fourteenth-century cartulary containing charters and deeds that document the history of Selby Abbey from its foundation under William the Conqueror in 1069 until the mid-fifteenth century. The editor, J. T. Fowler (1834-1924), originally a surgeon, left medicine for the church. He studied at Durham University before becoming a deacon in the Durham diocese and holding posts in the university itself. The contents of the cartulary are divided across the two volumes, originally published between 1891 and 1893, and Fowler has aimed to reproduce the Latin text as closely as possible, noting any errors in occasional footnotes. Volume 1 includes the *Historia Selebiensis monasterii*, a history of Selby written in 1174 by an anonymous Selby monk. Volume 2 includes a preface discussing some personal names of interest found in the cartulary. Also featured is an architectural description of the abbey, with illustrative plates.
