Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.What is this book about, and how does it apply to me? This book is about why the Black high school dropout rate is so high, why Black people have a problem buying from each other and supporting each others businesses, why the judicial system which includes so many prisons, jails and penitentiaries are packed with so many Black males and females relentlessly and agonizingly suffering under the yoke of incarceration, and why so many Black people don t trust each other, why of us have bad health and are afraid to go to the doctor, it is about why Black leadership appears to be so sneaky and untrustworthy, and for many, it is about why we seem to never be able to make enough money! Niggerology is that part of the xenophobes system of misedukkkation, which specifically deals with the incorrect, non-healthy, spiritually draining information that is given to Black people every day, in the form of edukkkation, politics, finance, and in religion. This book is written on the principles and premise of, When you know better, you will do better! I...
