Choc Lit, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Mark Knightley - handsome, clever, rich - is used to women falling at his feet. Except Emma Woodhouse, who s like part of the family - and the furniture. When their relationship changes dramatically, is it an ending or a new beginning? Emma s grown into a stunningly attractive young woman, full of ideas for modernising her family business. Then Mark gets involved and the sparks begin to fly. It s just like the old days, except that now he s seeing her through totally new eyes. While Mark struggles to keep his feelings in check, Emma remains immune to the Knightley charm. She s never forgotten that embarrassing moment when he discovered her teenage crush on him. He s still pouring scorn on all her projects, especially her beautifully orchestrated campaign to find Mr Right for her ditzy PA. And finally, when the mysterious Flynn Churchill - the man of her dreams - turns up, how could she have eyes for anyone else? With its clueless heroine and entertaining plot, this modern re-telling of Jane Austen s Emma stays true to the original, while giving fresh insights into the mind of its thoroughly updated and irresistible hero.
