Are you currently looking for a satisfying relationship, but often feel empty and used, rather than happy and free? Would you like a guide, designed specifically to help the reader make better choices in relationships, outlining how to spot tactics that are used to take advantage and exploit you? If so, Giving Up the Game is the perfect book for you! Authored by Eric Durham, a reformed former Gamer, Giving Up the Game outlines the strategies many use to manipulate, exploit and use others. This amazing book will help guide the reader to healthier, safer, more satisfying relationships. Too many relationships are complicated by the use of covert persuasion tactics that are used by high powered salesmen, techniques including social proof, reciprocity, scarcity and others, all designed to convince someone to act against their will. Eric Durham explains how these techniques are used to manipulate and take advantage of others for their own gain, leaving the other party feeling broken, empty and exploited. You will learn: - How to spot covert Gaming tactics in...
