By Rodney Adams

Outskirts Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We live in a time where F-bombs are rampantly and publicly exploding around us without warning leaving in their aftermath young ears and old ears alike ringing from the shockwave of their barrage. We live in a time where, on television, English is rapidly being replaced by a new language called Bleep! because, hardly a phrase is being spoken these days without the needed intervention of the censor. Do you feel that you went to bed one night and awoke to a world that had exchanged common courtesy for the shock value of indiscriminate foul language? What is worse, do you sometimes slip and blurt out language that you immediately regret and have to apologize for? If this behavior annoys or offends you, there is hope. Rodney and Eunice Adams book, Ooooooooo, You Said A Bad Woord-How A Group Of Young People Outgrew Adult Language lovingly and tactfully tells the story of a group of inquisitive fourth and fifth graders who address bad words head-on, debate what bad words are, why they are bad, and ultimately outgrow adult language.
