It comes with fact-packed, easy-to-read text and delightful illustrations showing ponies and their young riders. This charming book tells you all you need to know about ponies, starting with how they came about. A pony is a type of horse. People first tamed, used and rode wild horses about 3,500 years ago, but the story of the horse really began more than 50 million years ago, with a tiny animal called Eohippus. Over millions of years it changed and grew, and slowly started to look more like a horse. The book shows you how to approach a pony, how to say hello to it, gain...
