Reviews

Good electronic book and valuable one. It is one of the most incredible publications we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

FRENCH SECRETS: THE FACTS THAT FRANCE DOESN'T WANT YOU TO KNOW (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. France has always been a fantasy for people around the world and is still considered symbol of Romance and the Beauty. However, there are not many people who know the real France and how the country is largely overestimated by the world audience and French citizens. This book will provide readers with an unusual and informative overview of the country from an insider prospective. Unlike those of Wikipedia or Lonely planet this guide will not provide your typical travel information. Instead you will read about all the little secrets of France that is unavailable in your everyday travel guidebooks. French Secrets is written on the basis of Modus Tollendo Tollens (the mode which denies by denying) that defies what is commonly known among people by exposing political, social, cultural, economic, historical, industrial unknown facts. For example, France is well known as the country of beauty but you will find that this definition is not true in this book, and readers will discover hidden facts that bring raise doubt to their previous belief and knowledge. Directly exposing unknown facts is Knowing the truth. A truth that is crucial to people with specific purposes such as business, trade, studying, conference, vacation, etc. For this reason, this book includes scientific studies that have been interpreted into philosophical terms. For example, the British often describe the French as rude, arrogant and selfish. This insider s guide will explain why they feel this way with concerned scientific statistics. This book is, therefore, easy to read, useful, full of information, and with humorous insight. Both Global standard and Cultural relativity are represented in this book. Because each country has different social values that are generated from different historical...
