Hes living with the woman of his dreams and his family is settled for a change. Sophie Lane never envisioned the life shes living, but she wouldnt trade it for anything. Still, she wants more including marriage. She just doesnt know how to broach the subject with Grady. Sophies past comes back to haunt the couple when Gradys brother, James, presents her with a gift. After the death of her parents when she was a child, Sophie thought she lost all of their earthly belongings. James is a magic worker, though, and he gives Sophie something she never thought possible. Unfortunately for Sophie, those items come with a curse. Shes spent years trying to block her time in foster care from her memory, but things are about to come roaring back and trouble is attached. The Hardys have to work together when Sophies past overlaps with a big story in her present and ultimately proves a danger to her future, and Grady is going to need every ounce of courage in his arsenal to save the woman he loves and give her happily ever after at the same time. Its all hands on deck for another Hardy Brothers Security romp, and love and passion take top billing, even when danger is afoot. This item ships from La Vergne, TN. Paperback.
