Long ago the portal was sealed, and Los Angeles-now Crimson City-rid itself of demons for eternity. Or so Claudia Donovan believed. With the city's other "paranormals" more active than ever, and the treaty between the species all but dissolved, she and the rest of the CCPD have enough to handle. But now her daughter has been kidnapped and she's learned that demons still exist-and that they are plotting. To whom can she turn for help? The vampire, Tiberiu Korzha, whose eyes promise death but whose lips taste of eternity? Or does salvation lie with the powerful Lath, he who inspires lust beyond name? Thirst, bitterness, despair-on the plane of Orcus, all these things await. But just as surely, beyond that portal are Claudia's daughter, victory and true love. And her first taste of A DARKER CRIMSON.
