Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is a strange fact, for which I do not expect ever satisfactorily to account, and which will receive little credence even among those who know that I am not given to romancing-it is a strange fact, I say, that the substance of the following pages has evolved itself during a period of six months, more or less, between the hours of midnight and four o'clock in the morning, proceeding directly from a type-writing machine standing in the corner of my library, manipulated by unseen hands. The machine is not of recent make. It is, in fact, a relic of the early seventies, which I discovered one morning when, suffering from a slight attack of the grip, I had remained at home and devoted my time to pottering about in the attic, unearthing old books, bringing to the light long-forgotten correspondences, my boyhood collections of stuff, and other memory-inducing things. Whence the machine came originally I do not recall. My impression is that it belonged to a stenographer once in the employ of my father, who used frequently to come to our house to take down dictations. However this may be, the machine had lain hidden by dust and the flotsam and jetsam of the house for twenty years, when, as I have said, I came upon it unexpectedly. Old man as I am-I shall soon be thirty-the fascination of a machine has lost none of its potency.
