

Narratology: The Study of the Narrative Vol. 1 of 2 (Paperback)

Filesize: 5.34 MB

Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Salvador Lynch)

NARRATOLOGY: THE STUDY OF THE NARRATIVE VOL. 1 OF 2 (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Narratology refers to both the theory and the study of narrative structure and the ways that these affect our perception. In the simplest of terms, narratology has sometimes been referred to as the art of story-telling. This art refers to the writing techniques involved in scripting everything from a novel, a screenplay, and an essay to a thesis. While in principle the word, narratology, may refer to any systematic study of narrative. In practice its usage is rather more restricted. Narratology is applied retrospectively as well to work predating its coinage. Its theoretical lineage is traceable to Aristotle (Poetics) but modern narratology is agreed to have begun with the Russian Formalists. This book is designed to be a general overview of the topic and provide you with the structured knowledge to familiarize yourself with the topic at the most affordable price possible. The level of discussion is that of Wikipedia. The accuracy and knowledge is of an international viewpoint as the edited articles represent the inputs of many knowledgeable individuals and some of the most currently available general knowledge on the topic based on the date of publication.
