Work Days

By Tess Taylor

Red Hen Press, United States, 2016. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book. In 2010, Tess Taylor was awarded the Amy Clampitt Fellowship. Her prize: A rent-free year in a cottage in the Berkshires, where she could finish a first book. But Taylor outside the city for the first time in nearly a decade, and trying to conceive her first child found herself alone. To break up her days, she began to intern on a small farm, planting leeks, turning compost, and weeding kale. In this calendric cycle of 28 poems, Taylor describes the work of this year, considering what attending to vegetables on a small field might achieve now. Against a backdrop of drone strikes, methamphetamine and global economic crisis, these poems embark on a rich exploration of season, self, food, and place. Threading through the farm poets Hesiod, Virgil, and John Clare Taylor revisits the project of small scale farming at the troubled beginning of the 21st century. In poems full of bounty, loss and the mysteries of the body, Taylor offers a rich, severe, memorable meditation about what it means to try to connect our bodies and our time on earth.

Reviews

A whole new eBook with a brand new perspective. it was actually writtern quite completely and useful. I found out this ebook from my dad and i recommended this ebook to discover.

-- **Dr. Wyatt Morisette**

Extensive manual for book fans. It really is simplified but surprises inside the fifty percent of your pdf. I realized this pdf from my dad and i advised this pdf to discover.
