Descodificación biológica

By FLÈCHE, CHRISTIAN

GAIA EDICIONES. soft. Book Condition: New. La Colección Hemos querido ofrecer al lector una recopilación de las modernas técnicas terapéuticas conocidas como «nuevas terapias». Realizadas por expertos en cada una de las correspondientes áreas, estas completas guías proporcionan las claves para comprender fácilmente lo esencial de su teoría y de su práctica. La Obra Se trata de una presentación nueva y accesible de la descodificación biológica de las enfermedades. Este nuevo enfoque del sentido de las enfermedades se apoya en las funciones biológicas de cada órgano y permite descodificar los síntomas que «hablan» de nuestra historia, como reacciones de adaptación a unos hechos concretos. Ya no se considera la enfermedad como un accidente, como una calamidad fatídica o sin sentido. Resulta ser la respuesta más adaptada, la expresión de una solución de supervivencia que plantea nuestro cuerpo ante el sentimiento de un conflicto. El Autor Christian Flèche es uno de los creadores principales de la «descodificación biológica». Es escritor y formador. Cursó estudios de enfermería y un máster en PNL.
