Reviews

*Completely essential go through book. I actually have go through and i am sure that i am going to going to read yet again yet again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Edwardo Rohan III)*

HYMNS OF THE GREEK CHURCH: TRANSLATED, WITH INTRODUCTION AND NOTES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Hymns of the Greek Church: Translated, With Introduction and Notes II. The renderings contained in this volume are the product of many happy hours during the past five years. No method was adopted in the work. As the translator waded through the closely printed pages of the Greek offices, what appeared at first sight to be lines worthy of translation were taken up and examined, sometimes to be cast aside again because of some unremovable blemish, at other times to be moulded to the form which they now bear Of the forty-seven pieces, thirty - five appear for the first time in English verse. For the original, the translator has gone to the service - books, and for the most part has confined himself to the hymns which are to be found in the triodion, containing the Lenten services; and in the pentecostarion, in which are found the hymns for the services of Easter and Pentecost. A few specimens are also given from other offices, particularly that for Christmas. Renderings from the work of the earlier Greek hymn-writers are added at the end of this volume; but, unlike the hymns of the Church service-books, these hymns originally are in the classical measures, and illustrate the work of the best Christian poets, who in some cases wrote extensively. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
