

Wanderer: The First Book of the Beirut Quartet: A Return of Ancient Voices (Paperback)

Filesize: 2.25 MB

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Camille Larson)

Outskirts Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Celebrating the Return of Ancient Voices: Forget not that I shall come back to you. A little while, and my longing shall gather dust and foam for another body. A little while, a moment of rest upon the wind, and another woman shall bear me. So wrote the Lebanese poet Kahlil Gibran (1883-1931) in his masterpiece The Prophet, a book in continuous print since 1923, read and loved by millions in 20-plus languages. Wanderer, the first book of The Beirut Quartet, sets forth the proposition that Gibran was good at his word: he did return, in the person of Paul Crawford. Born in California in 1947, a world traveler and educator, Crawford was prone to out-of-body experiences and past life recall from early age. During the tumultuous 60s, circumstance led him to Europe, then on to the Middle East where, as a student at the American University of Beirut, events and intimations suggested a reincarnational link with the Lebanese poet. Wanderer traces his journey. Celebrating the Fall of the Old World Order: Motivated by the OCCUPY MOVEMENT and by the long-awaited breakdown of the Old World Order, Crawford examines a New World Unity and what it will take to get there, including: * Cleansing and healing of orthodox wisdom * Recognizing complicity in fraud * A 12-Step Program for Dogma Addiction * Combating predatory capitalism * Breaking the spell of continuous war * Disclosing the truth of the ET presence * Understanding human DNA mutation * Negotiating our galactic future * Implications here and beyond.
