Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Some books tell you that winning the game of life is easy. But is it? Touchdown offers a different approach that invites you to see how life really is: a game that takes skill, knowledge and training to win, just like football. Written for the weak and the brave, Touchdown offers hope in an often dimly lit world, frankly addressing the real issues of life we all face: our opposing team. We have to face one everyday and somehow, when we're trying to win the game of life, we drop the ball. Touchdown gives you the real answers you need to win the game. Whether they be tough, rough or even scary, the author delivers such an honest and open method and account of her own road to winning, as well as others, that we walk away with hope and excitement for what comes next. Chock full of anecdotes and real life stories, she weaves a strong map for us to follow. In an open, honest and loving voice, Katherine Eastvold delivers a miraculously uplifting layout for us all, young or old, to deliver the real wins of life - the touchdowns that make the deep changes - the real changes.
