L27 2006d OCLC Number: (OCoLC)70914261 Subject: Autism -- Research -- Law and legislation -- United States. Excerpt: . . . 15 moting any consolidation, the committee expects the NIH to retain a separate, distinct focus on environmental health factors as they potentially relate to autism spectrum disorder. In addition, beyond the authorization of appropriations, the com-mittee further clarifies that NIH can use up to 5 percent of the grant amounts for administrative and other expenses. Although the committee understands the need for the NIH to have such taps, the committee is concerned about those taps being too high and divert-ing scarce resources to administrative expenses. In an effort to clarify the committees intent that these provisions do indeed sunset at the end of the authorization period, the com-mittee has provided specific sunset language. In providing this lan-guage, the committee intends to reauthorize this critical law within the timeframe specified to ensure that the committee provides ap-propriate oversight of these issues. Except for the provisions related to biomedical research at...
