*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.*

Kerry Weber beautifully expresses all the familiar emotions, all the highs and lows, all the fears and dreams that every college student experiences. She learned early on in her own college life that she couldn't cope without God's guidance and she clung to her faith to see her through. It offers reassurance and comfort and encourages them to build a vibrant life of faith and prayer.
