Reviews

This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

But we also find the incoming tides and rents in the clouds through which shines the Day Star of hope for a confused and troubled world in its mad rush toward chaos and ruin. While the hands on the clock of human progress are threatened to be turned back- ward for a thousand years, it is encouraging to know that there is a balm in gilead and that there is a physician whose healing touch is sufficient for such a perplexed and baffled world as we confront today. Amid all of the shifting and changing scenes of time which have brought us to our modern world, Jesus Christ has lost none of the efficacy of His saving power. The Religious Trends of Today reveal the fact that the gospel of Christ still remains the power of God unto salvation unto everyone that believeth. J. C.
