Abingdon Press, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We all have insecurities--quirks that preoccupy our minds and convince us we aren't good enough. We worry too much, argue too much, talk too much. or not enough. We fight who we are and beg God to make us different. But what if God gave us these quirks for a reason? What if who we are right now is exactly who God meant us to be? What if our weirdest, most annoying characteristics are actually . . . for a purpose? In *Why Your Weirdness Is Wonderful*, author and certified life coach Laurie Wallin teaches us to stop fighting ourselves and to start following God. And the first step, she says, is to embrace our weirdness. In short, dynamic chapters, Wallin helps you move past obstacles by learning to see your stumbling blocks as strengths. She will show you how your weirdness enables you to love God uniquely and to love others more effectively. As you work to discover why your weirdness is wonderful, you will learn more about yourself and about God, and about how deeply he loves you--quirks and all.
