

The Strange Disappearance of Patricia Meehan (Paperback)

By Nathan Nixon

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The story of Patricia Meehan is a very strange and puzzling one. She seemingly disappeared into the night with little reason. The case has remained unsolved since 1989. With few witnesses, the full events are sketchy at best. What is well known about this case is that our culture has seemingly thought of every possible scenario to explain what happened to her. To understand and possibly solve the case, understanding the person that Patricia Meehan was is of paramount importance.
