

50 Fathoms Explorer's Edition (Savage Worlds (Pinnacle/Great White Games))

Filesize: 8.2 MB

Reviews

Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Joana Champlin)

The natives say three witches in Ograpog were sentenced to death directly by King Amemnus, drowned by the rising tide. With their dying breath, they cursed Caribdus, the land itself, to drown as they were, to drown in fifty fathoms of cold dark sea. The people of Caribdus are adapting to their wet new world. Crab-like scurillians, massive grael, lonely doreen, mysterious kraken, cruel kehana, and the nigh-human masaquani now sail the seas aside the new visitors, humans from the age of piracy, dashing corsairs, bloodthirsty buccaneers, and savage sea dogs drawn from the mists of earth on unfamiliar tides. Many believe these visitors to be destined to defeat the Sea Hags and save Caribdus from a watery grave, but most seem interested only in joining the plunder of forgotten treasures in a drowning world. This new Explorer's Size edition of the classic and much-loved 50 Fathoms includes the updated text of the original game, plus the 50 Fathoms Companion, all compatible with Savage Worlds Deluxe and beautifully colored by three-time Hugo Award winning artist Cheyenne Wright!
