END OF AN ERA: MAD MEN AND THE ORDEAL OF CIVILITY (HARDBACK)

[DOWNLOAD](#)

Counter-Currents Publishing, 2015. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. AMC s Mad Men (2007-2015) was an instant hit, winning fifteen Golden Globes and four Emmys and redefining television. Already a slew of books have appeared to examine its cultural impact. Now comes The End of an Era: Mad Men and the Ordeal of Civility, bringing to the discussion a unique perspective: race realist and Traditionalist. Drawing in equal measure from Kevin MacDonald and Rene Guenon, and able to marshal a stunning array of pop culture reference points, James J. O Meara -- himself a child of the 60s and a product of America s long-dead industrial heartland -- examines the hidden agendas and social implications of the Mad Men phenomenon. At its center is a bravura, two-part essay analyzing the disintegration of the Sterling Cooper Draper Pryce agency as symbolic reenactment of the archetypal struggle of the Aryan and the Judaic for control of Western civilization. From the culture-creating powers of the three-button suit, to the dissolution of the Aryan Ego in the hot tubs of Esalen, The End of An Era delivers one stunning insight after another. You ll never watch a rerun of Mad Men the same way you did the first time. James O Meara is a cultural alchemist scrying the flickering images of TV series and old films for signs of perennial wisdom lying dormant at the heart of postmodernity. In End of an Era he focuses on the TV show Mad Men and reveals Traditional archetypes at war with Judaic cypsis for the soul of the series. -Christopher Pankhurst, author of Numinous Machines This short collection of essays is an invigorating romp through contemporary American culture, such as it is. James J. O Meara s concept of...
