

Progressive Perspectives (Paperback)

By Clinton Graham

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Progressive Perspectives is a collection of poetry conceived with the hope that lessons of the past can shape an enlightened future. The importance of family and morality is a concurrent theme. Building a solid foundation in our youth is a key component that is also addressed. Another theme is the idea that if people were more open with each other that positive change can result. My intention is to enlighten, educate, and entertain the reader regardless of their background. The poems are a reflection of the man I am today. Through personal struggle, I have achieved a sense of inspiration that fuels the pages within.
