POLAR QUEST

DOWNLOAD

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Polar Quest, Tom Grace, In a twisting, fast-moving adventure, ex-Navy Seal Nolan Kilkenny finds himself on a dangerous mission where he must recover a priceless artifact of human existence. The key to all life has suddenly become worth killing for. Deep in the frozen wasteland of Antarctica, a remote NASA research lab rests atop a two-mile thick glacier, covering a vast underground water reservoir. But the true discovery isn't the lake buried in ice - it's what has been found within its boundaries. Something amazing. Something alive. And it may hold the answers to existence itself. When the lab is attacked and its scientists murdered, Nolan Kilkenny realises that there is more than science at stake - there's power, money, and what may be another step in evolution. Racing around the globe, Kilkenny must stop the machinations of a diabolical adversary and recover a priceless artifact of human existence - or die trying.
