

The Main Challenges to the Hegemonic Position of Realism During the Cold War

By Jan-Henrik Petermann

GRIN Verlag Nov 2011, 2011. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Essay from the year 2006 in the subject Politics - International Politics - General and Theories, grade: -, London School of Economics (Department of International Relations), language: English, abstract: Proponents of a 'neo(realist)-neo(liberal) consensus' within the academic field of International Relations (IR) hold that, despite the occurrence of numerous intra- and interdisciplinary challenges over the past decades, the core assumptions of realism still constitute a dominant paradigm in the study of world politics. This essay argues that such an overall judgement might be appropriate if it is meant to reflect the long-term adaptability of realist thought - although some qualifications have to be made as to what rival theory has achieved what degree of relative success in questioning realism's intellectual hegemony. First, it is striking to note how many elements of the rationalist/positivist epistemology embodied by neorealism have found their way into neoliberal as well as constructivist theories of international politics. The adequacy of realism's classical formula - international relations is about states pursuing interests defined in terms of power - has been doubted by advocates of...
