Be More Better Books, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Be More Better series of books enriches you with practical, valuable skills and essential, fundamental knowledge. Individual chapters with compelling short stories and unusual perspectives repeatedly reward you. They amuse, interest, surprise ? and teach. The second book in the series is More Stuff to Know and Use. As you can tell from its title, it is for the general reader, not the scientist, executive, or professor, and this is true of the entire series. The skills presented in this second installment include how to budget and invest, use your time better, and understand science and engineering. The theme of solving problems continues with how to use logic effectively and learning from mistakes. There are mystery biographies which help you have faith in your own future. The fundamentals span the physical and virtual universes. Learn topics that you thought were out of your reach. Just as important are the simple life-lessons that give important perspectives on dealing with change, recognizing your own innate abilities and even your own place in the universe. With the economy, competition, and change assaulting you daily, there is a huge benefit in polishing your abilities and in keeping the basics in mind. You can Be More Better from the first chapter. That is a promise.
