CANCER: THE ADVENTURE OF YOUR LIFE! (PAPERBACK)**DOWNLOAD**

AUTHORHOUSE, United States, 2004. Paperback. Condition: New. Large type / large print edition. Language: English . Brand New Book ***** Print on Demand *****.This eminently practical book includes the tips survivors share with one another - the little coping strategies that can make a huge difference in the physical and emotional comfort of the patient and family. The hopeful and encouraging approach avoids the pitfalls of statistics and scientific prognosis to focus instead on maximum joy and peace of heart for each patient, regardless of the stage of illness. Cancer: The Adventure of Your Life includes the important issues (like losing hair, dealing with insurance companies, or handling visitors) that doctors pass over lightly because they are not life-threatening. The simply-written explanations are meant for the lay person, although professional caregivers will find new insights, too. There is an extensive treatment of the emotional components of the cancer journey, including fear, grieving, and loneliness, along with specific suggestions for both patients and family members to adapt to this new reality with a health-nurturing life view. Every effort has been made to make the book convenient and easy-to-use for patients, including large print format, stand-alone chapters, and chapter summaries. The book is a valuable resource for cancer center libraries, waiting rooms, and physicians offices. The most common response of cancer patients after reading the book is, I wish every newly-diagnosed patient had access to this. If only I had known that I was not alone in my fears and concerns!.
