Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The President and Secretary of Defense have directed the Department of Defense (DOD) to transform in order to meet an uncertain future and the unfolding challenges of the 21st Century domestic and international security environments. As the Armed Forces of the United States transform, they must develop a common frame of reference to define and develop future joint force concepts, capabilities, requirements, and Service-provided forces. The existing frames of reference for the joint force are joint doctrine and Joint Vision. Joint doctrine only provides a common frame of reference for the current joint force. It does not, however, address the development or experimentation of future concepts and capabilities that could improve joint force operations. The Joint Vision provides a broad future vision and construct for military transformation. However, it contains little actionable detail for joint force planning and development. Joint doctrine and Joint Vision together will provide a baseline to help focus the development and comparative analysis of emerging concepts, capabilities, requirements, and Service-provided forces that will be employed within future joint warfare and crisis resolution. At the focal point of US military transformation and implementation is the Joint Requirements Oversight Council (JROC). The role of the JROC has evolved from a strictly materiel focus to a strategic integration role in the coevolution of joint doctrine, organization, training, materiel, leadership and education, personnel, and facilities (DOTMLPF) critical force considerations. As the crossroads for joint vision related requirements generation and development, the JROC currently must evaluate concepts, capabilities, architectures and requirements from each Service. What is missing for the JROC s use is a common perspective on joint warfare and crisis resolution in the 21st Century from which the JROC...
