

## Foundations for Biblical Knowledge - (Understanding the Bible) (Paperback)

By Grace Bible College

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The careful, methodical study of the Bible is the subject of this course. In the first part, this course introduces the principles, terminology, and means of interpretation that are essential to all effective methods of Bible study. The next series of lessons emphasizes scrutiny of individual books through the synthetic or whole-book method of study. The biographical, topical, and devotional methods of study are critiqued in the last section. While much in the course is necessarily an academic discussion of how to study the Bible, major emphasis is placed on the student s spiritual improvement and how a systematic study of the Scriptures is the best means for achieving this goal.
