PHYSIOLOGY AND CALISTHENICS: FOR SCHOOLS AND FAMILIES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Physiology and Calisthenics: For Schools and Families The following are the distinctive advantages offered in this work: 1. A system of physiology divested of all needless technics. Most school-books on this subject are so encumbered with terms needed only by professional men, as to render them repulsive, and to double the labor both of reading and study. In this work no technical term is employed when a word in common use will express the same idea. Those who prefer the hard words can collect them and give them as a separate lesson. 2. A short, easy, and comprehensive course of physiology and hygiene. There are thousands of the curious and wonderful contrivances of the human body that must be omitted. The proper rule for selection is to take those that can be made practical in enforcing the laws of health and life. It is believed that this work contains a greater amount of this kind of knowledge than any other school-book, and in a much shorter compass. 3. A work that is so popular in form that it will be not only interesting for children to study, but for their parents to read. To effect this, a great portion of this work has been tested with the humblest class of uneducated persons, so as to make it both intelligible and interesting to them. Tho main hope of the adult generation is through the knowledge that may be carried by the children to their homes, and there rendered practical. 4. A work which, while it is fitted to the comprehension of the young and uneducated, is equally adapted to the wants of the highest class of...
