Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Eric Linklater was one of the most respected and prolific Scottish writers of this century, yet more than 25 years have passed since his last collection of short stories was published. This selection covers Linklater's entire writing life. The settings are as various as the places where he lived--Orkney, India, California, Edinburgh and the Highlands--the events that take place, both fantastic and sensual in their depiction. A strong seam of Scottish history and culture runs through much of Linklater's work. The short stories include classics of the form, such as *The Goose Girl* and *Kind Kitty*, and wild variations on fairy stories, medieval myths, bawdy folk-tales, Viking sagas and 1920s crime reports. They derive from the magic of the world--love, beauty, ambition, drink and language. Their exuberant invention and comic verve provide glorious evidence for George Mackay Brown's assertion that Linklater is one of Scotland's best story-tellers ever . Eric Linklater (1899-1974) wrote scores of novels for adults and children. He was also a journalist in India, commander of a wartime fortress in the Orkney Islands, and rector of Aberdeen University.
