Reviews

Basically no phrases to spell out. It is actually rally interesting through studying time. You can expect to like just how the article writer create this publication.

(Braden Leannon)

SAADHUS: HOLY MEN OF INDIA (PAPERBACK)

Inner Traditions Bear and Company, United States, 2014. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. An in-depth photographic study of the ascetic holy men of India - Includes more than 100 striking color photographs of Sadhus, their extreme austerities, and their holy festivals, including the Kumbha Mela - Examines the practices and beliefs of Sadhus from several different sects - Traces the historical and mythological roots of the Sadhus and shows how they have fundamentally shaped Hinduism since remote antiquity Spiritual adventurers, philosophical monks, naked ascetics, or religious transvestites, the Sadhus of India form a vital and unbroken link between the birth of yoga millennia ago and its present-day expression. Numbering in the millions, these mystic holy men are worshipped by the Hindus as representatives of the gods, yet they remain largely unknown in the West because they often live in far-off places, hidden from everyday life. In this full-color study of Sadhus more than 20 years in the making, photographer Dolf Hartsuiker illustrates the Sadhus world of ancient magical rituals, religious symbols, and ascetic practices. In his photographic quest across India, the author visited many holy places, attended religious festivals including the Kumbha Mela, and encountered and photographed thousands of Sadhus, befriending several as he was drawn into their inner circle. Sharing more than 100 striking color photographs from his travels, he reveals the Sadhus utmost devotion to their spiritual path through meditation practices, yoga exercises, penance, and austerities--sometimes taken to the extreme of prolonged self-imposed silence, bodily mortification, such as holding an arm above the head for years, or even ritual suicide--as well as their profound involvement with the mundane world as healers and teachers or magicians and sorcerers. It is a path of knowledge and devotion, renunciation and realization, sexual energy and spiritual...
