Temple is her role model and while she shares certain things in common with Dr. Grandin she is also her own person who has her own specific wants, needs, and desires. Tara says it is important for children and teens with autism today to have someone more compatible to relate to than Temple Grandin who grew up in the 1960 s. In this book we will learn how to help your child become who they desire to be and not what someone else desires them to be. Tara says there is no one size fits all approach to autism services. She explains that she hopes more person centered approaches to treating individuals with autism start to develop so that we can make the world an awesome place for all people affected by autism. It is clear that Temple Grandin s legacy and accomplishments will lead the way for your sons and daughters as they grow up with autism and find their own way in life....
