Brand New Book ***** Print on Demand *****.A traveler could not resist his desire to stop at a bait store that he had driven past many times over the years. It was so creepy that he needed to see for himself what the down trodden exterior held. Once inside, his intuition was to leave, but a more than eager proprietor encouraged him to see more of the building and the hideous displays of curious animal heads found in the front of the shop. Something wasn't right and his instincts told him to run, but his passion to learn the forbidden led him to an unspeakable horror.
