

high-resolution satellite image processing guidelines

By GUAN YUAN XIU CHENG XIAO YANG / GUAN YUAN XIU

paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 268 Publisher: Science Press Pub. Date :2008-09. This book introduces the high-resolution commercial remote sensing satellite. imaging products. image processing and industrial applications. high-resolution commercial satellite remote sensing to the historical development. high-resolution satellite features. imaging products. image enhancement. geometric correction. information extraction and main line industrial applications. theory and practice. prior to production technology. the system described. This book is the prototype high-resolution satellite image processing course materials. its usefulness is proven and time tested. Painted side of the book are available. land. planning. agriculture. forestry. resources and environment. remote sensing. geographic information systems. geospatial information technology related industries and research and production workers. Contents: Preface Chapter 1 1.1 high-resolution commercial satellite remote sensing progress history of high-resolution commercial remote sensing Health 1.2 high-resolution commercial satellite remote sensing of the major commercial high-resolution satellite Introduction 1.3 1.4 1.5 High-resolution features high-resolution satellite remote sensing Satellite remote sensing the status quo and development trend 1.5.1 Comprehensive automated image production processing 1.5.2 1.5.3 image for video service network to improve the quantity and quality of Chapter 2 of the...
