## RECOGNIZING A GIFT FROM GOD: THE DIARY OF AN ORDINARY WOMAN S EXTRAORDINARY EXPERIENCES (PAPERBACK)

Balboa Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is a heartfelt account of a lifetime of encounters and experiences revolving around coming to the realization that God and passed loved ones are always with us. My purpose in writing this diary is to help and educate people about the signs they get throughout their lifetime that they are not recognizing and about weird things that happen that they try to rationalize. It is normal to try to rationalize lights turning on or off, or items being moved in your home. It is my hope that you can take these experiences one step further and understand that you are not alone and that these signs are real. In other words, believe your sixth sense. May the white light of divine love and protection be with each and every one of you.
