This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

JUST CAUSES: NOTES OF AN UNREPENTANT SOCIALIST (PAPERBACK)

ECW Press, Canada, Canada, 1993. Paperback. Condition: New. Language: English . Brand New Book. Drawn from over 500 of the author's newspaper columns (mostly from the Toronto Star), *Just Causes* represents the best articles of one NDPer's journey through the Mulroney-Reagan-Bush years. Divided into thematic groupings, the essays deal with such issues as Canadian-American relations, Canadian foreign and cultural policy, and the rise to power of provincial NDP governments. In his last column (March 1993), Caplan observes that with the victories of Reaganism and Thatcherism -- the true radicalism of our time -- even those small steps towards a moderately more decent society were unceremoniously reversed. The pursuit of a more just and equal society can't be the most ignoble way to live our lives.
