

Self, Soul and Spirit: According to Anthropic Physics (Paperback)

By Steve Preston

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.People are made in the three person image of God. The Biblical terms for these images are the self, soul, and spirit. Somewhat different than Freud's attempt at understanding with his ID, EGO, and SUPEREGO and the ancient Egyptian description of Baa, Kaa, and shadow, this book describes the intricacies of the dynamic person as a whole and how we can control our environment. While some have walked on water, turned sticks into snakes, and moved a mountain with the faith of a grain of mustard seed, it takes an knowledge of how we are made and how to begin to control the images that make us. This book will help you understand who you are and what our entire universe is.
