TALES FROM THE CREATIVE CASA (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The themes of this collection are the universal themes of love and loss, secrets and lies and the unintended consequences of past actions on the present. They are sometimes written with a light heart, with a little magic, and occasionally, with sadness when real life doesn't end so well. Some are jumping off points for longer works of fiction and they vary in length, motivation and inspiration. In the end, all fiction draws from the well of creativity which springs from our experiences, observations, snippets overheard, and we can all draw from that spring if we are nudged towards it.
