Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

SHARDS, A MEMOIR (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In 1967, a young married mother of three abruptly discovers she feels a sexual attraction for another woman. Her marriage erupts in violence, and her family is thrown into chaos. Narrated in third person, this is the opening story of Barbara Ritchie s memoir. From there, the author uses first person--often present tense--sharing dramatic points of her life that shaped her; but, as shards, the pieces fall where they may. The twelve stories and vignettes in this collection are all true, though the names and some locales have been changed.
