*This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*

The search-and-find game also makes for a fun and interactive bedtime read. The nation s favourite teddy bear has been delighting generations of children for 90 years. Milne s classic children s stories - featuring Piglet, Eeyore, Christopher Robin and, of course, Pooh himself - are both heart-warming and funny, teaching lessons of friendship and reflecting the power of a child s imagination like no other story before or since. Pooh ranks alongside other beloved character such as Paddington Bear, and Peter Rabbit as an essential part of our literary heritage. Whether you re 5 or 55, Pooh is the bear for all ages.
