A former Vice-Chairman of the Executive Committee and Governing Board of the National Council for International Health, NCIH, (now known as the Global Health Council, Washington, DC), Dr Akukwe was also a member of the International Human Rights Committee of the American Public Health Association as well as a board member of the Christian Connections for International Health, an international ecumenical organization based in the United States. A widely published scholar on HIV/AIDS, healthcare, and development issues in Africa, he served for five years as a member of the editorial board of the American Journal of Public Health, one of the leading...
