

Agricultural Law

By Sukhbir Bhatnagar

Mittal Publications, New Delhi, 2007. N.A. Condition: New. vii+276pp This book is aimed at providing farmers, as well as agricultural scientists with a reliable manual detailing the legal provisions for alleviating the problems within agriculture. With the increasing sophistication of farming processes, issues of intellectual property, trade, finance, credit and general transactions often arise. More, agricultural law are not only associated with plants and animals, but also with land use, environmental rules and food products. Elaborating on the legal set-up for agriculture, this book explores the laws and rules for the numerous legal issues within agriculture, analysing and critiquing these laws, and what more needs to be done. With emerging technologies which have only added to the issue, these arise yet another problem. This has also been taken under consideration. Moreover, case studies have been provided to help gain a better understanding.
