Karen Henson Jones was on the conventional path to success in the corporate world when a sudden cardiac event at the age of 30 took her to the brink of death. During an otherworldly experience, she was presented with a choice to leave her body or to return to Earth. When her request to live was granted, Karen was forced to come to terms with the life she had been living. With warmth, wonder and wit, Heart of Miracles takes us with her on an inspirational journey through India, Italy, Bhutan and the Holy Land of Israel in search of a more meaningful life. Exploring the power of meditation, Western medical science, the transformative doctrines of reincarnation and the teachings of Jesus, Karen encourages us to embrace the full possibilities of our spiritual selves.
