Mariner watches his brother spiral into trouble, and he must decide if he will speak up or cover up. The boys must make each decision quickly.with or without their parents. A thought-provoking, socially relevant academic masterpiece. --Zelda Kitt, educational leader and parent I was so nervous as I neared the end of the book. I loved it. There are a lot of great messages throughout the whole book and especially towards the end. I have to put this in my collection of books for my son to read. ---Kristin Marvin, parent I actually finished the book in one day. The suspense was so great that I couldn't put it down. It was an awesome book, and kids my age would definitely enjoy it. Kaitlin Ervin, 15.
