Newnes. Hardcover. Condition: New. This item is printed on demand. 176 pages. This is the definitive practical guide to fault-finding, troubleshooting and servicing satellite television equipment, both indoors and outdoors. It will take you through all areas of satellite television system servicing from the simplest fixed dish to fully motorised systems. From PAL to Mac to MPEG all contemporary systems are covered. Satellite TV systems have been installed in a wide variety of locations, using a bewildering range of equipment. That equipment is beginning to need maintenance and repair. To cope with the volume and variety of work, Nick Beer has written the first guide to satellite TV which concentrates on what to look for and what to do when it goes wrong. This book is up to date and crammed with real-life experience, not theoretical data or manufacturers ideal specs. Nick Beer has already written the best-selling Servicing Audio and Hi-fi Equipment and is a technical correspondent for many UK and international journals such as Television. He also works as an engineer and teaches satellite servicing to technicians. A practical guide to a new and important area for service engineers Covers indoor and outdoor equipment Written by an experienced author, teacher and engineer This item ships from La Vergne, TN. Hardcover.
